LOUISIANA BOOK COLLECTION

Purpose: The Louisiana Book Collection is designed to ensure the maintenance of a collection of works about Louisiana and by Louisiana authors.

Guidelines for Acquisitions of Resources for the Louisiana Book Collection:

1. Contents of the book are concerned to a significant degree with Louisiana.

2. The author is designated by the cataloger or other informed consultant as a Louisiana person--one born in Louisiana or associated with Louisiana.

3. Special consideration is given to books about the Mississippi Valley in the original Louisiana Colony during the French and Spanish Colonial periods and the American Territorial period.
